CHAPTER _____

An act to amend Item 6110-161-0001 of Section 2.00 of the Budget Act of 2011, and to amend Section 76300 of the Education Code, making an appropriation therefor, to take effect immediately, bill related to the budget.

LEGISLATIVE COUNSEL'S DIGEST

AB 108, Committee on Budget. Education.

Existing law requires the governing board of each community college district to charge each student a fee, and sets that fee at \$36 per unit per semester. Existing law requires this fee to be raised to \$46 per unit per semester, effective with the fall term of the 2011–12 academic year, if a provision of the Budget Act of 2011 becomes operative that requires the Director of Finance to reduce specified appropriations if he or she determines that the higher of 2 specified state revenue forecasts does not meet one or both of certain thresholds.

This bill would specify that the raising of this fee to \$46 per unit per semester would occur if the higher revenue forecast projects General Fund revenues for the 2011–12 fiscal year of less than \$87,452,500,000. The bill would further specify that this fee increase, if it occurs, would be effective with the winter term, rather than the fall term, of the 2011–12 academic year.

The Budget Act of 2011 (Chapter 33 of the Statutes of 2011) appropriated moneys from the General Fund to the State Department of Education for, among other things, special education instruction during the 2011–12 fiscal year.

This bill would amend the Budget Act of 2011 by reducing the amount of moneys appropriated from the General Fund to the State Department of Education for special education instruction.

This bill would declare that it is to take effect immediately as a bill providing for appropriations related to the Budget Bill.

Appropriation: yes.

The people of the State of California do enact as follows:

SECTION 1. Section 76300 of the Education Code, as amended by Section 29 of Chapter 43 of the Statutes of 2011, is amended to read:

76300. (a) The governing board of each community college district shall charge each student a fee pursuant to this section.

(b) (1) The fee prescribed by this section shall be thirty-six dollars (\$36) per unit per semester, effective with the fall term of the 2011–12 academic year.

(2) The board of governors shall proportionately adjust the amount of the fee for term lengths based upon a quarter system, and also shall proportionately adjust the amount of the fee for summer sessions, intersessions, and other short-term courses. In making these adjustments, the board of governors may round the per unit fee and the per term or per session fee to the nearest dollar.

(c) For the purposes of computing apportionments to community college districts pursuant to Section 84750.5, the board of governors shall subtract, from the total revenue owed to each district, 98 percent of the revenues received by districts from charging a fee pursuant to this section.

(d) The board of governors shall reduce apportionments by up to 10 percent to any district that does not collect the fees prescribed by this section.

(e) The fee requirement does not apply to any of the following:

(1) Students enrolled in the noncredit courses designated by Section 84757.

(2) California State University or University of California students enrolled in remedial classes provided by a community college district on a campus of the University of California or a campus of the California State University, for whom the district claims an attendance apportionment pursuant to an agreement between the district and the California State University or the University of California.

(3) Students enrolled in credit contract education courses pursuant to Section 78021, if the entire cost of the course, including administrative costs, is paid by the public or private agency, corporation, or association with which the district is contracting and if these students are not included in the calculation of the full-time equivalent students (FTES) of that district.

(f) The governing board of a community college district may exempt special part-time students admitted pursuant to Section 76001 from the fee requirement.

(g) (1) The fee requirements of this section shall be waived for any student who, at the time of enrollment, is a recipient of benefits under the Temporary Assistance to Needy Families program, the Supplemental Security Income/State Supplementary Program, or a general assistance program or has demonstrated financial need in accordance with the methodology set forth in federal law or regulation for determining the expected family contribution of students seeking financial aid.

(2) The governing board of a community college district also shall waive the fee requirements of this section for any student who demonstrates eligibility according to income standards established by regulations of the board of governors.

(3) Paragraphs (1) and (2) may be applied to a student enrolled in the 2005–06 academic year if the student is exempted from nonresident tuition under paragraph (3) of subdivision (a) of Section 76140.

(h) The fee requirements of this section shall be waived for any student who, at the time of enrollment, is a dependent, or surviving spouse who has not remarried, of any member of the California National Guard who, in the line of duty and while in the active service of the state, was killed, died of a disability resulting from an event that occurred while in the active service of the state, or is permanently disabled as a result of an event that occurred while in the active service of the state. “Active service of the state,” for the purposes of this subdivision, refers to a member of the California National Guard activated pursuant to Section 146 of the Military and Veterans Code.

(j) The fee requirements of this section shall be waived for any student in an undergraduate program, including a student who has previously graduated from another undergraduate or graduate program, who is the dependent of any individual killed in the September 11, 2001, terrorist attacks on the World Trade Center and the Pentagon or the crash of United Airlines Flight 93 in

southwestern Pennsylvania, if that dependent meets the financial need requirements set forth in Section 69432.7 for the Cal Grant A Program and either of the following applies:

(1) The dependent was a resident of California on September 11, 2001.

(2) The individual killed in the attacks was a resident of California on September 11, 2001.

(k) A determination of whether a person is a resident of California on September 11, 2001, for purposes of subdivision (j) shall be based on the criteria set forth in Chapter 1 (commencing with Section 68000) of Part 41 of Division 5 for determining nonresident and resident tuition.

(l) (1) "Dependent," for purposes of subdivision (j), is a person who, because of his or her relationship to an individual killed as a result of injuries sustained during the terrorist attacks of September 11, 2001, qualifies for compensation under the federal September 11th Victim Compensation Fund of 2001 (Title IV (commencing with Section 401) of Public Law 107-42).

Funds allocated to a community college district for determination of financial need and delivery of student financial aid services shall supplement, and shall not supplant, the level of funds allocated for the administration of student financial aid programs during the 1992–93 fiscal year.
